# PRODUCT DATA SHEET

<b>Country of Origin</b>	Bulgaria
<b>Washing Instruction</b>	 A series of seven washing instruction symbols: 1. An open book with the letter 'i' inside, representing ironing instructions. 2. A square with a wavy top edge and '40°' inside, representing a 40-degree wash temperature. 3. A square with a diagonal line from the top-left to the bottom-right, representing 'do not bleach'. 4. A circle with a diagonal line from the top-left to the bottom-right, representing 'do not tumble dry'. 5. A triangle with a diagonal line from the top-left to the bottom-right, representing 'do not use high heat'. 6. A square with a diagonal line from the top-left to the bottom-right, representing 'do not dry clean'. 7. The CE mark, representing compliance with European standards.

## OVERVIEW

---

- Manufactured in Europe.
- Certified to EN 14058
- All waterproof fabric - designed for use in wet conditions such as outside, in wash bay areas, or whilst handling wet produce.
- Clo Insulation - Clo Insulation provides great comfort and warmth whilst being extremely lightweight and non-bulky.
- Multiple Pockets - Pockets on the sleeve, chest, internal zipped and velcro pockets and two large pockets on the front.
- High fleeced collar - Providing more comfort than a standard collar. This also enables the wearer more freedom of movement for their head, in turn reducing stress and fatigue.
- Voice pick pocket and loops inside the jacket provide a solution that is up-to-date with the latest voice pick systems. The aperture on the collar also provides an opening for the headset that won't let cold air in.
- Lightweight material - Lightweight material on the back of the jacket helps reduce fatigue for the user, at the same time as aiding breathability.
- Waterproof glove cuffs to stop ingress of moisture at the wrist.
- Four way stretch inherently waterproof fabric wash tested to 50 washes with colour fastness and minimal shrinkage.
