OVERVIEW

- Removable sleeves which allow you to regulate your body temperature
- Built in reflective bands giving you additional safety.
- Manufactured in Europe
- FlexEasy - 4-way stretch fabric panel on the inside and out, joining the sleeve and the body, designed to offer greater flexibility and easy movement of arms.
- Clo Insulation - Clo Insulation provides great comfort & warmth whilst being extremely lightweight and non-bulky
- Multiple Pockets - Pockets on the sleeve, chest, internal zipped and Velcro pockets and four large pockets on the front.
- High fleeced collar - Providing more comfort than a standard collar. This also enables the wearer more freedom of movement for their head, in turn reducing stress and fatigue.
- Lightweight material - Lightweight material on the back of the jacket helps reduce fatigue for the user, at the same time as aiding breathability.
