OVERVIEW

- Manufactured in Europe.
- Tested to EN 14058
- All waterproof fabric - designed for use in wet conditions such as outside, in wash bay areas, or whilst handling wet produce.
- Clo Insulation - Clo Insulation provides great comfort and warmth whilst being extremely lightweight and non-bulky.
- Multiple Pockets - Pockets on the sleeve, chest, internal zippered and velcro pockets and two large pockets on the front.
- High fleeced collar - Providing more comfort than a standard collar. This also enables the wearer more freedom of movement for their head, in turn reducing stress and fatigue.
- Voice pick pocket and loops inside the jacket provide a solution that is up-to-date with the latest voice pick systems. The aperture on the collar also provides an opening for the headset that won't let cold air in.
- Lightweight material - Lightweight material on the back of the jacket helps reduce fatigue for the user, at the same time as aiding breathability.
- Waterproof glove cuffs to stop ingress of moisture at the wrist.
- Four way stretch inherently waterproof fabric wash tested to 50 washes with colour fastness and minimal shrinkage.
